## Elliminyt Primary School

Elliminyt Primary School is a highly inclusive, nurturing learning community that fosters life-long learning through motivated, responsible students who are engaged and involved in their learning environment. We educate and nurture the 'whole child'; developing academic, social and emotional competencies as part of the learning experience. We offer a variety of programs including, but not limited to, 1:1 computer program, Indonesian, Art, Science, Physical Education, Student Leadership, Cultural events, Environmental studies including cooking and horticulture, Bike Education, Swimming, Play based curriculum and many, many more!

We are delighted to invite you to one of the many events we are holding to celebrate Education Week this year including:

- ⇒ School Tour with the Principal on Monday 18th of May at 10am
- ⇒ Open Morning on Tuesday 19th of May between 9 and 11am when you can see our school in action
- ⇒ Developmental Curriculum session on Wednesday 20th of May at 2:30pm and again on Friday 22nd of May at 10am where you can join our 2015 Preps for a range of hands-on activities—perfect for kindergarten aged children.

We look forward to welcoming you to our school and sharing our learning experiences with you.
