Cross Country & other celebrations
On Monday we had a number of students head down to windy, wet Warrnambool to represent our district at the Regional Cross Country. The course at Warrnambool is renowned for it’s difficult terrain and to finish is an achievement in itself! All our students ran with EPS pride and we are very proud of their efforts! Well done to Roisy I, Anna B and Joel F for representing us and also to Connor C on finishing 14th in the 12/13 year old boys and Toby S who finished 18th in the 10 year old boys. A fantastic effort all round!
While on the topic of celebrations and congratulations, we as a school community celebrate lots of things, and this time I’d like to acknowledge an achievement of one of our parents. One of our school councillors, Shaun Carson was recently awarded the ‘Australian National Ploughing Champion’! Now I don’t know much about ploughing, but National Champion in anything is downright exceptional! Congratulations Shaun!

Contacting the Office
There seems to be a bit of a pattern of parents calling the office to change student travel plans at the end of the day. I’m sure you can understand that the end of the school day is a busy time and last minute changes, be they bus alterations, pick up changes or anything else, provide further complication and unnecessary stress on both staff and students at that time. We understand that sometimes this is unavoidable, however we ask parents to communicate any changes to routine through the student diary, and if they must, via the office BEFORE 1:30pm. This allows staff time to ensure messages get through to students, and alleviates the last minute stress our students can experience when messages are left until late. We appreciate your understanding and cooperation with this.

Senior Swimming
A reminder that notes and money for the Senior swimming program are due before Friday 24th of June. The earlier these notes come back the better we can plan for the program for students. Please indicate on your form if you’d like to utilise the Camps, Sports and Excursions Fund money if that’s relevant for you, or if another payment plan is required. Alternatively you can contact Lorraine by phone or in person at the office to arrange this.

Cinderella
Consent forms will be sent home today for the performance of ‘Cinderella’ at the Melbourne Arts Centre on Monday July 18th. We have been successful in securing funding for this excursion such that students will only pay for bus travel (at a discounted rate). Parent helpers are required on the day, so please speak to your child’s classroom teacher if you’re able to assist.

Fundraiser
A reminder that our Melbourne Stars signed shirt silent auction is still active! All bids must be received at school by Monday June 20th so the winner can be announced in the newsletter on Wednesday 22nd. Make sure you get your bid in so you can be in the running for this fantastic prize! The shirt is available to view at the office.

Parent Teacher Interviews
Please ensure the request slips are returned by next Tuesday, 14th of June, so that times can be appropriately allocated for the interview day on the 22nd of June. Confirmation of times will be sent home with reports on Friday 17th of June.

Lightning Premiership
Good luck to our teams competing in the football and netball Lightning Premiership this Friday. We still require an umpire for the netball if any of our community are able, or know of someone who is, please let us know ASAP! You don’t need to be particularly skilled, just know the rules of netball.

HEALTHY EATING
Breakfast
It is important to encourage children to eat breakfast. A good night’s sleep followed by breakfast in the morning helps children stay active, concentrate at school and not get too hungry during the morning. Be a positive role model and let your child see you eat breakfast. Some great starters for the whole family include:
• a bowl of breakfast cereal or porridge with milk
• Slices of grainy toast or fruit bread with spread
• Fresh or stewed fruit and yoghurt.

**2017 CANTEEN**

Unfortunately next year we lose our amazing Canteen Manager—Sallee Sell. Sallee has been in this role for a NUMBER of years and has done an exceptional job managing this service for both our kids, and our school. The canteen provides the special treat of lunch orders each Friday for our students, but also contributes a significant amount to our P&F fundraising each year, between $8000-$9000! In order to comply with DET regulations we are seeking ‘Expressions of Interest’ in the various facets of canteen management from our school community. These are voluntary positions and the various roles require a variety of skills, time commitment and willingness. The roles are listed below. If you are interested in any or all of these roles, please complete the return slip and send it back to school by the end of this term (24th June). Once returned, our P&F executive will meet to determine the viability of our canteen service in 2017 and beyond.

* Rosters
* Cleaning/Safety checks
* General organisation
* Ordering/Purchasing/Stock rotation
* Weekly Jelly making
* Supervisor role on canteen days—(requires Food Handling Certificate—training can be provided)
